

Barn Cats Non-Toxic Pest Control

A feral cat will keep your barn or stable rodent free for the price of daily cat food, and you'll be helping to save a life!

We have several beautiful, healthy, neutered and vaccinated feral cats that are looking for outdoor homes with a barn, shed, or other shelter.

If you would like to adopt a barn cat (or several) contact **Nevada Humane Society**, e-mail info@nevadahumanesociety.org or phone 775-856-2000 ext. 200.

Be prepared for a brief period of adjustment. Moving to a new home is stressful for anyone, cats included! After a short stay in secure confinement, the cats will accept their new home and be doing their rodent patrols with enthusiasm. Help will be provided during the relocation process.
